In 2016-17 we are celebrating 600 years since the Library was founded; find out more about the history of the Library at <http://www.lib.cam.ac.uk/about-library/600>

We have regular public events throughout the year, including talks and seminars in the University's Science Festival and Festival of Ideas, exhibition tours, and open days.

Our exhibitions programme is free to all, with two major exhibitions each year and a monthly changing programme in the Library Entrance Hall. More details and full online versions of these exhibitions can be found here: <https://exhibitions.lib.cam.ac.uk/>

Interact with our collections in your own way: Thousands of books and manuscripts have been digitised in the Cambridge Digital Library at <https://cudl.lib.cam.ac.uk/> including many of the items in this booklet.

You can also download a free iPad app including six of our greatest treasures, with expert commentary and hundreds of additional photographs and contextual images. Get your copy from the link at <http://www.lib.cam.ac.uk/about-library/600>

Want to help the Library preserve and extend its remarkable collections into the future, while gaining behind-the-scenes access and invitations to special events? Why not join the Friends of the Library? <http://www.lib.cam.ac.uk/giving/friends-library>
